Bellary Barracks - Roads - Repairs - Ref. Your No.13/45 dated 12-1-45.

With reference to your above letter, I submit herewith an estimate for Rs.7900/- for the work of Repairs to the Roads in the Bellary Barracks This estimate is prepared by the Public Works Department and signed by the Executive Engineer, Bellary. Pioneer labour will be employed for the work Deducting the sum of Rs.1500/- (vide items 1,6,7 and 8) provided for labour, the net sum required for the work is Rs.7900/-. Items 9 and 10 may be provided for unforeseen items and supervision. Thus I will be requiring Rs.7900/- for this work. I request that the Government orders may kindly be obtained for the expenditure of Rs.7900/- towards this work and the enclosed estimate may please be returned duly accepted. If the work is departmentally taken up, which will be under the supervision of the P.W.D. technical staff, I hope to complete the work before the 31st March, 1945. I am sure, that if the work is handed over to the P.W.D. contractors it will have the same fate as the drainage they are constructing now.

Submitted to Government.

2. The need for metalling the road explained in the report of the P.W.D accompanying the estimate. I have inspected the road and I think it necessary to repair it as proposed as early as possible. An expenditure of Rs.7900/- for the work may be sanctioned. Pioneer labour will be employed on the work.

3. To expedite the work, it may be permitted to be done departmentally under the supervision of the local P.W.D. officers. I request very early

orders so that the work may be completed before the end of March 45.

4. The expenditure can be met from the provision in the current years budget under '64 Miscellaneous Expenditure connected with the War 1939 - R.Scheme for Civil Pioneer Force - 5. Works - Accommodation

PUBLIC WORKS DEPARTMENT

No.782-Wks/45-1 dated 8th March 1945

From

E.H.CHAVE ESQ., C.I.E., B.Sc.,
Chief Engineer, P.W.D.(Gl.Bldgs.& Defence),
Chepauk, Madras.

To

The Secretary to Government, Public Works Department.

Sir,

Sub: Bellary Barracks - Roads - Repairs
Ref: Govt.Endt.No.1893-A/45-1 dated 20-2-1945

There is no objection to have the above work carried ou departmentally by the Officer-Commanding, Headquarters, Depo Unit with the Pioneer Labour and under the supervision of the local P.W.D. Officers.

2. As the expenditure on the work has to be debited to the Central head "64.Miscellaneous - Expenditure connected

connected with the War, 1939 - R.Scheme for Civil Pioneer Force - 5 Works - Accommodation" and as the plan and estimate for it have been prepared by the P.W.D., the usual centage charges according to code rules will have to be paid to the P.W.D. by the Civil Pioneer Force towards preparation of plans and estimates and supervision by the Department.

3. The Government's reference in original is returned herewith.

for CHIEF ENGINEER, P.W.D.

To
The Secretary to Government,
Public Works Department,
Fort St.George, Madras.

Rc.No.1[illegible]/45 dated the 23rd April 1945.

Sir,

C.P.F. - Bellary barracks - Repairs to roads -
Ref. G.O.No.701, P.W..dated 16-[illegible]-45.

The work mentioned above was sanctioned to be executed departmentally under the supervision of the Madras P.W.D. According to PF-43 dated 3/5 April 1945, communicated in Government Endorsement No.[illegible]-A/45-1 dated 16-4-45, the work has to be executed through the agency of the Central P.W.D. The Officer Commanding, Depot unit, informs me that the tenderer approved by the local P.W.D. officers has begun the supply of the necessary materials for the work and enquires whether he may proceed with the work. I am informing him not to proceed with the work. The Superintending Engineer, Central P.W.D., Madras may be requested to take up the work and complete it as early as possible.

P.W.D.

Special Officer,
Civil Pioneer Force, Madras

The receipt of the file relating to delegation of financial powers in respect of C.P.F. expenditure from First Dy. Secy. may be awaited before action is taken as suggested by the S.O.

From

The Special Officer,
Civil Pioneer Force,
Alipaur P.O., Madras.

To

The Secretary to Government,
Public Works Department,
Fort St. George, Madras.

A.5370 No.No.1³/45 dated the 14th May 1945.

Sir,

Sub:- C.P.F. - Bellary Barracks - Repairs to Roads -
Ref.- G.O.No.701 P.W.D., dated 16-3-45
and my letter No.Rc.1³/45 dated 24-4-45.

(N)

Please inform me what action has been taken by Government on my letter read above. The contractor has stacked in the barracks the materials required for the work, but no officer of the Central P.W.D. has yet gone to the barracks to attend to the work.

2. The decision that the Central P.W.D. and not the Madras P.W.D. should attend to the works in the barracks including special and ordinary repairs is likely to delay the execution of works especially repairs which on account of the temporary nature of the buildings have to be

attended to at times with the least possible delay to avoid further damage by rain and storm. There is an Executive Engineer of the Madras P.W.D. at Bellary itself, while the Executive Engineer of the Central P.W.D. appears to be stationed at Bangalore.

Special Officer.

Letter No. 4689 A/45-1 dated, 21-5-45.

The Secretary to the Govt. of India,
Deptt. of Labour, Simla.

Sub:- C...F. - Bellary Barracks - Repairs to roads.

I am directed to invite attention to your letter No.PF-42 dated 2/3-4-45, according to which C... accommodation works are to be executed through the agency of the Central P.W.D. The G.I. Memo No.P.F.4 dated 16-4-45 states that the plans and estimates for all such future works should also be prepared by the C.P.W.D.

Before receipt of the orders referred to above this Govt. have sanctioned in G.O.No.741 P.W.D. dated 16-4-45 an estimate of Rs.7,900 for repair of the roads in the Bellary barracks, (the head quarters of the M.C.F.F.) for execution departmentally by the Officer Commanding, Depot unit, M.C.F.F., under the supervision of the Madras P.W.D. The estimate was prepared by the Madras P.W.D. It excludes a sum of Rs.1300, the estimated cost of the pioneer labour proposed to be utilised for the work, but includes provision for leavy of the percentage charges for preparation of the plans and estimates and supervision of the work by the Madras P.W.D.

This Govt. have satisfied that the repairs are very necessary and that they should be carried out without any delay before further damage to the roads by rains. The departmental execution of the work is agreed to for the sake of speedy execution. The accepted tender had also to do with the supply of the materials required, which the S.O., M.C...F., issued instructions not to proceed with the work, on receipt of the G.O. orders mentioned above, that in view of the rains the work should not be proceeded with.

there is already an E.E. of the Provl. P.W.D. stationed at Bellary for supervision, I am to request the very early sanction of the G.I. to the execution of the work already approved by this Govt. The plans and estimates for the work have been called for and will be forwarded to the G.I. in due course.

I am also to suggest in this connection that very urgent works such as repairs on account of damages to the Billary barracks caused by storm, floods etc. may be got executed by the Madras P.W.D. instead of by the Central P.W.D.

Y.O.S

P.W.D.

Endt. No. 4689 A/ces-2A dated, 21.5.45.

Copy forwarded to O/C, H.Q. (Depot) Unit,. He is requested to submit the plan and estimates to Govt. immediately.

Note: Under the delegation of financial powers definite limit of amount that may be incurred by the Provl. Govt. on repairs has not yet been worked out in consultation with the S.E., C.P.W.D., The sanction of the G.I. may therefor be obtained before the work is begun in this case

P.W.D

Special Officer.

Re report of the A.G. referred to
n fo 6 mts may be awaited

Through section for remarks if any on the

With regd to the centage charges regd to overleaf, it submitted that the levy is not made with regd to rules on the subject but is only an arbitrary basis with regd to the time & labour spent by the PWD in the work. If the entire work had been done by the PWD, the Charges at 19% will have to be levied with regd to para 6 Appx 7 of Hon'ble A Code. The percentages proposed in the present case for supervision & preparation of plans & estimates may be accepted

The EE must have had some basis (not an arbitrary basis) for fixing the percentage. We must ascertain what this is.

To
The Deputy Secretary to Government
P.W.D.
Through the Chief Engineer, General,
Buildings & Defence, A.R.P.
Madras.

No. 1157 dated 7-4-46.

Sir,

Sub:-Civil Pioneer Force - Bellary barracks - Repairs to Roads - Centage charges.

Ref:- Your No.3115/J/45-3 dated 7.1.46.
-do- dated 30.3.46.

The estimate for the work was prepared by this Department according to the designs furnished by the Commanding Officer, M.C.P.F. Bellary and so a centage of 1% was charged on the amount of Estimate of Rs.7900/- with reference to Note 3 under rule 6(iv) of Appendix 3 to the Madras Account Code Volume III. The work was executed by the C.P.F. under the supervision of this Department. For this a percentage of 4% for establishment and 1/2% for pensionery charges is charged on the actual outlay of Rs.5625 on the analogy of the centages levied on water supply and drainage schemes executed by the Municipalities and Local bodies under the supervision of the P.W.D. with reference to Govt.Memo. No.9490(0) Exp.1 dated 11.8.42. No separate orders are traceable in the Account Code for levy of centages on works relating to Central Government executed by ~~them~~ that Government under the supervision of the Madras P.W.D.

The delay caused in answering the Government Memo. under reference is very much regretted and is mainly due to the inexperience and incapability of the Divisional Accountant who is only an ordinary Upper Division Clerk promoted for the post. He is severely warned for the delay and the matter is being brought to the notice of the Accountant-General for taking further action.
